Machine Learning Ecml 2004 15th European Conference On Machine Learning Pisa Italy September 20 24 2004 Proceedings Lecture Notes In Computer Lecture No - tabu.ml

prof dr luca maria gambardella - *current research topics artificial intelligence with focus on meta heuristics algorithms machine learning and swarm intelligence*, **machine learning group publications university of cambridge** - *gaussian processes and kernel methods gaussian processes are non parametric distributions useful for doing bayesian inference and learning on unknown functions they can be used for non linear regression time series modelling classification and many other problems*
